EXPERIENCE THE SEASON

Along the coastline of Canada & New England is where the deep-blue sea meets rich autumn hues. Witness the changing fall foliage, one of nature's amazing spectacles. It's also where you'll travel back and explore Rockland, known as the lobster capital of the world! Quebec City's iconic Chateau Frontenac is where you'll find the best views of the Saint Lawrence River.

Ready for a fall cruise? We are!

Our first stop will be Boston for 2 nights, while there, tour Boston's streets on a WWII vintage "Duck," that will drive straight into the Charles River! Free time for Quincy Market and walk part of the Freedom Trail before boarding the "Norwegian Dawn".

We visit Rockland, Halifax, Charlottetown (Prince Edward Island), Port of Gaspesie and LaBaie before ending our cruise in Quebec City:
